MENDOZA, ARGENTINA
MALBEC

More than 100 years ago my grandparents came to America to realize their dream of freedom, opportunity, and a better life for their children. One grandfather, Israel, became a carpenter, while the other, Sam, founded his own business delivering soda and seltzer to residents of a major American city. My father, Raymond, continued in the delivery business working six days per week, while my mother, Estelle, worked as a bookkeeper, a position she held for more than 50 years. To honor my parents and grandparents, I named this wine Generaciones, a tribute to the sacrifice they made to offer me a better life.

Generaciones Malbec 2013

The 2013 vintage of Chaiken Vineyards' Generaciones Malbec is 100% Malbec.

Harvest:

Grapes were picked in April 2013 from vines planted in our own vineyard in 2007. Yields were 2 tons per acre.

Fermentation:

The Malbec underwent 7 days of cold maceration at 13°C. Yeast and nutrients were then added and the stainless steel tanks were allowed to warm to encourage fermentation. The wines fermented dry in 18 days and were racked into 100% new French oak barrels. Final alcohol content is 14.2%.

Barrel Age, Blending, and Bottling:

After 9 months of initial barrel age, the wine was blended in stainless steel tanks and returned to the barrel for an additional 12 months of barrel age. The wine was bottled in February 2015 and arrived in the U.S. in March 2016.

Tasting Notes:

Rich, powerful, fruit forward Malbec showing great body with hints of dark fruit, blackberry, raspberry and sweet tobacco. The wine shows a full mid-palate followed by a lasting finish. Tannins are showing now but will soften with decanting and bottle age. Aging potential is 9-14 years. Only 1500 bottles made.
